WHAT HAPPENS WHEN YOU ENTER?

Research & Compliance

An appointed Research and Compliance Committee will thoroughly review all entries across all categories to ensure that all artists meet our criteria, and are eligible to enter as per category guidelines.

- **Vetting & Identity Authorization** – All submissions will be vetted according to our systemic review of all entries. Here our committee will ensure fact-checking, phase 1 of eligibility, confidentiality, conflict of interest and document verification before the next step.
- **Shortlisting** – The SA Voiceover Awards Research and Compliance Committee will review entrants and shortlist voice artists according to the criteria specified under each category. 10 potential voices will be shortlisted per category.
- **Jury's Assessment** – The 10 shortlisted voices will undergo a rigorous judging process. These voices will be given pseudonyms to achieve a fair and unbiased procedure. The Jury's decisions are solemnly based on their scoring which is independently approved by the Jury President. The jury's vote (Out of 10) determines both the winner p/category and finalists with only 10% of the public's votes considered for some categories.
- **Nomination & Winner Announcement** – Finalists per category will be announced prior to the awards programme and will be contacted directly and published on our digital platforms. 3 – 7 Nominees per category or more will be selected and the winners will be announced on Sat, 10 Oct 2026 in Sandton JHB.
